FROM THE DEAN'S OFFICE:

WELCOME BACK to all students, faculty, and staff--and a special welcome to all new to the Doheny Campus! We are very glad you are with us!

I hope to meet each and every one of you this semester, and I urge you to come by and visit me in Bldg. #10 when you have a moment in your busy schedules. If I can assist you or help to make it a better year for you, I am eager to answer your questions, hear your suggestions, and talk about your concerns. All of us--administrators, faculty, and staff--are here to help you make your college experience successful and productive...and *fun*!

Sister Kathleen Kelly, Dean

HAVE A GREAT YEAR!

FROM CAMPUS MINISTRY:

Please welcome **Sister Maria Angela Mesa** to our Doheny Community. Sister Maria Angela joins us this year as **Campus Minister**, and we are delighted that she is here!

....A Note from Sister Kathleen Mary McCarthy:

Dear Doheny Community (students, faculty, staff, administration...everyone!),

I leave Doheny with a heart full of wonderful memories, memories that reflect care, growth, struggle, laughter, service, prayer and deep joy. The joy comes from sharing in a wonderful project, so energizing and so important: enabling young women to grow in dignity and self-appreciation, and celebrating with them as they achieve academically, personally, professionally and spiritually. *Wonderful* things happen here at Doheny! I thank God for the daily miracles, which include, of course, our beautiful, flowering campus.

So very many wonderful people serve in a million capacities here at Doheny. I simply say "Thank you" to each and every one of you. You have enriched my life. I ask God to continue to bless you with vision, energy, and great love so that miracles can continue to be a daily occurrence here on campus.

Gratefully,

Sister Kathleen Mary

FROM THE LEARNING RESOURCE CENTER:

The **Chemistry Placement Exam** will be given on **Tuesday, September 21, at 11:30 a.m. in the Learning Resource Center**. Students majoring in the sciences, pre-health, and pre-med fields should think about taking this test. A student can qualify for Chemistry 1A if she has a score of 15 in the Algebra test (this test was given at the time of placement testing) and a 5 on the Chemistry test. If you took Chemistry in high school and did well, you should plan on taking this test.

A syllabus of the items on the Chemistry test is available in the Learning Resource Center.

FROM THE EDUCATION DEPARTMENT:

Dr. Carla Bartlett will be serving as Acting Chair of the Education Department for the 1993-1994 academic year. **Sister Kieran Vaughan** began her sabbatical this summer. Carla will continue her responsibilities as Director of Secondary Education as well.

Sister Janet Duffy will serve as the Acting Director of the Administrative Services Credential and Degree program. Sister Janet will also continue teaching Reading Development during the Fall Semester and will assist with the supervision of student teachers in secondary schools.

We welcome **Sister Imelda** back from her sabbatical!

On behalf of those who participated, I want to thank the Orientation Committee, especially the student coordinators, **Norma Guardado** and **Araceli Vasquez**, and staff coordinators, **Bernadette Robert** and **Maria Lyons**. Doheny Happenings

VOLUME 23, ISSUE 3

WEEK OF SEPTEMBER 27, 1993

DATELINE:

September 27 Monday Last day to Add or Drop a Class Without a Fee.

FROM THE DEAN'S OFFICE:

FAREWELL GATHERING..

JOIN
US!

We will be holding a Farewell Gathering for **SISTER KATHLEEN MARY MC CARTHY** on **Monday, October 4, from 11:00 - 12:00 noon on the Patio, Ahmanson Commons**. Please come by and say "thank you" for the kind and gentle guidance she provided to all of us at Doheny, and the boundless energy with which she greeted each and every challenge.

We will miss you, Sister Kathleen Mary. Thank you for all you have done for us!

REMINDER: All signs, posters, banners, and brochures to be posted on campus *must first be approved by MARIA LYONS in the ASB Office*. Any literature posted which has *not* received her approval will be removed.

If your literature is approved for posting, **be certain that you take the responsibility for removing it once your event is over!** We want to keep our campus beautiful--and uncluttered.

Also, please remember that **NO POSTERS, SIGNS OR OTHER LITERATURE MAY BE POSTED ON ANY PAINTED SURFACE ON CAMPUS.**

Attached to this issue of Doheny Happenings is this semester's **Office Hours** list. Please retain the list for future use.!

FROM THE ADVISEMENT CENTER:

Students who still need to add or drop classes, please take care of it as soon as possible. **Today, Monday, September 27**, is the last day to add or drop a class without a fee.

FROM HEALTH SERVICES:

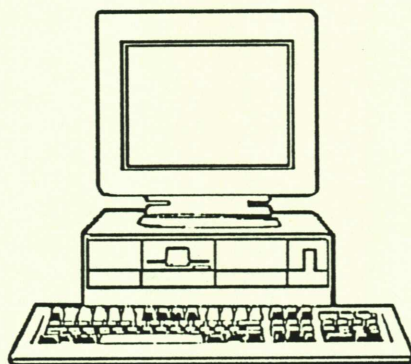

By October 1st, all Doheny commuter students must select either USC or the Chalon Campus as the location of their health services. Students may call Health Services at (310) 471-9840 and leave their name, social security number and selection choice. All students who have not selected a campus by October 1st will be sent to USC automatically.

FROM THE RESIDENCE OFFICE:**I.D. Cards**

If you are still missing your I.D. card, please come to Bldg. 7, Office 4. This will be the last week to get your card for the Fall semester.

Bus Passes

If you need a bus pass, be sure to pick one up in Bldg. 7, at the receptionist's desk.

FROM THE PURCHASING OFFICE:

Free Apple Computers will be donated by The Von's Companies to our educational system. Speciality marked register receipts are being collected in Purchasing at the Chalon Campus. Receipts from Vons, Pavillions, Tianguis, Williams Bros. and Expo are all part of the Apple program. This program started 9/16/93 and will end 2/2/94, so there is lots of time to send your receipts to Purchasing or feel free to bring them to Purchasing if you are in the area. Receipts will be donated to University High School in West Los Angeles. Since college is the next step after high school, perhaps the Mount will benefit indirectly by our generous group effort.

FROM THE CAREER CENTER:

Vicki Johnson, the new Director of the Career Center on the Doheny Campus, would like to welcome all students to visit the Career Center. The Center is located in Bldg. 7 on the first floor. The hours for the Fall Semester will be 9:00 a.m. to 3:00 p.m. The Career Center can assist you in job placement, interview skills, career choices, computer assessment, and graduate school information.

Vicki has worked with MSMC for four years as the Credential Counselor in the Education Department and assisted with infusing multicultural perspectives across the curriculum.

Please come by the Career Center and see what it has to offer you!

FROM THE EDUCATION DEPT.:

We are sorry to let you know that Suzanne O'Donnell is on long-term disability leave after a bad bout with sciatica and an operation. She is recuperating at home, and we send her best wishes for a speedy and complete recovery. You may send Sue a card, c/o the Education Department at Doheny.

Join us in shedding tears over the departure of **Vicki Johnson**, who has been our wonderful Credential Analyst/Administrative Assistant for the last four years. Vicki has been key to our quality service to teaching credential students, and we will miss her.

But not all is lost, for Vicki has moved just across the street to become the Director of the Career Center. Congratulations, Vicki! Just don't forget who taught you everything you know.

After much searching and interviewing, the Education Department is delighted to welcome two new staff members:

Arlette Lynn Allen will join us as the new Credential Analyst/ Administrative Assistant on October 11. Lynn comes to us from many years as Administrative Assistant and Student Advisor for the Linguistics and Sports Studies programs at USC. With the budget cuts on that campus, their loss is our gain.

Helen Esteves will be taking Sue O'Donnell's place as secretary temporarily while Sue is on disability leave. Helen comes to us from the Chicano/Latino Medical Association of California, where she was the Assistant Program Director for the state-funded program to recruit students into the medical profession. With grant monies for that program ending, she will be able to join us October 4.

Welcome Lynn and Helen.

MOUNT ST. MARY'S COLLEGE COUNSELING SERVICES

The Counseling Services Center is committed to helping you benefit as much as possible from your experience here at MSMC. This support system may include helping you to perform better academically, to cope with your emotions, or to be more effective in your relationships with others. The college environment can be exciting and challenging. It can be highly stressful since you may face academic pressures as well as pressures from family, friends, and loved ones at the same time. While we work with students who may

be experiencing a crisis, our goal is to help you deal with your concerns before they develop into more serious problems.

One of the most frequently asked questions is: **"If I go to the Counseling Center does it mean that there is something wrong with me...or that I'm crazy?"**

The answer is: **No, it does not.** For the most part, students who use our services are interested in their personal growth and adjustment to the world around them. Many students face normal developmental concerns and academic pressures while at MSMC, and at times they may feel acute anxiety, anger, sadness, or depression. For these problems, as well as for more serious crises, it is helpful to gain the perspective of a trained and unbiased person. The Counseling Center staff is trained to help you think about alternatives or options to your behavior and ways of dealing with the world.

The Counseling Center has offices both on the Doheny campus (Bldg. 7) and on the Chalon campus (Health Services). For an appointment at either of our centers, call (310) 471-9840. Information you give by phone and in person is confidential. Also, look for our upcoming "Self-Care" series in the student newsletter.

FOR YOUR INFORMATION

YEARBOOK PICTURES

Starting this year, all Doheny students will be receiving a copy of the Athenian Yearbook. In order for your picture to be included in the Yearbook, you will need to have your picture taken with the Jostens photographer. The photographer will be at Doheny on Tuesday, November 17, in Donahue Center, from 9:00 a.m. to 4:00 p.m. Costs for pictures are as follows:

Seniors: \$10 for a Yearbook Pose or \$25 for a Yearbook Package.

All others: \$3 for a Yearbook Pose -- portrait packages are available for an additional charge.

For more information contact Monica Lond, Yearbook Advisor, at (310) 471-9507.

CAMPUS CONCERN: Of late, some of us have noticed that people are being careless about the upkeep and look of the campus. Food items (trays, condiments, cups, etc.) are just left on the outside tables for "someone else" to pick up and carry in. Trash is thrown out of cars and left in the street for "someone else" to pick up and throw away. Gum and other items are just dropped where they fall so that others step in them, often carrying them into buildings so that "someone else" can wash the floor or vacuum the rug. Others are spilling beverages on the floor in the classroom building and just walking on, leaving it for "someone else" to clean up. Well, speaking for the "someone elses", we are tired of cleaning after some of you, yet we are concerned about the beauty and upkeep of our campus. So, let's *all* work on this and make Doheny the peaceful, beautiful place it should be.

The date is next Monday, December 6, from 9:30 a.m. to 2:45 p.m., in the Donohue Conference Room. All of us are needed--students, faculty and staff--for this worthwhile cause! Sign-up sheets for appointments and additional information can be found in Bldg. 7, Office 4. Come by today. **Remember:** You never know when it might be you or one you love in need of this "gift of life". Do your part today and others will do the same for you!

Christmas Fair: The season is almost upon us with all its holly, ivy, and Christmas trees! This is our chance to do some early shopping and get some of those stocking stuffers we need. The dates are Tuesday and Wednesday, December 7 and 8, from 11:00 a.m. - 1:30 p.m. The plan is to be outside, in front of Ahmanson (depending on the weather). It is always lots of fun to sample the arts of others, so be sure to save your money over the next week and drop by. You'll be surprised at the bargains.

For Your Information

'Tis the Season for Giving: Today is the day--the Red Cross Blood Mobile is on campus beginning at 9:30 a.m. and continuing until 2:45 p.m. The location is Donohue and there are still places on the schedule. If you have signed up, **Be on time!** If you have not signed up, but want to be a donor, **drop by and see if you can fit into the schedule!** Our hope was to sign 50 donors and as of press time we are up to 42. This is great for this time of year and all of us are grateful to you. **Remember:** all during the holiday season there are many needs for blood donations due to accidents, illness and the "down-time" at the donation centers. Therefore every pint we can provide from Doheny today is needed! Be a part of this "giving event!"

'Tis the Season to Shop: With the holidays fast approaching, it is time for our Annual Christmas Fair here at Doheny. The days are Tuesday and Wednesday (December 7 and 8) from 11:00 a.m. until 1:30 p.m. Our hope is to be located in front of Ahmanson Commons for easy access but we will move if weather demands! Be sure to bring your cash--VISA not accepted! (Although some people may take checks--ASK!) We have several booths full of gift ideas and holiday items: cards, calendars, ornaments, white elephant items, handmade items, children's gifts, stocking stuffers. Also, Unique Creations will be here with a variety of earthquake preparedness gifts--just the thing for the person who has everything (and who needs to be ready for emergencies). These items make great gifts for your family, friends, and even yourself, so think seriously about stocking up during our Fair. This is a fun event--but only as fun as we each make it by participating fully. Come and join the fun.

From the Business Office

All outstanding debts due, including past-due penalties, must be paid before taking exams. This includes tuition, fees, loans due, parking fines, bounced checks, health service fees, and library fines. Failure to make these payments is sufficient cause to withhold a diploma, scholastic certificate, or transcript of record and/or suspend a student.

Please take care of balances/dues in the business office. If you have any questions, please call x832.

Test Anxiety

Before you know it, final exam time will be here. For some people more than others, this is a time for terror because they have test anxiety. What is test anxiety? It is worry or fear related to having to take tests, and it is caused by pressure, past experience, and fear of failure. Every student who takes a test feels some anxiety, but with actual test anxiety, the feeling is so intense that it negatively affects her performance.

What are some effective ways to deal with test anxiety? The most important thing is to learn to relax. Next, learn to be an effective studier: set the right atmosphere for studying, use outlines and flash cards, and prepare yourself. It is also very helpful to learn good test-taking skills: budget your time for each question on the text, do the easier questions first, and be sure to answer each question. Remember to read each question carefully and think as you read. Finally, don't be afraid to talk to your instructors.

Tennis Anyone?

A required tennis meeting for all those planning on playing intercollegiate tennis next semester will be held on Monday, December 13, on the Chalon tennis courts. Practice and match schedule, uniforms, etc. will be discussed.

Financial Aid News Flash

If you are currently receiving financial aid for the 1993/94 academic year you should receive a "renewal application" at your permanent address from the federal government in order to reapply for financial aid next year, 1994-95. Hint--the "renewal form" looks like a Student Aid Report (SAR), but it is on white paper. If you haven't received a "renewal form" in the mail by January 1, you must reapply using a Free Application for Federal Student Aid (FAFSA).

In addition, all undergraduate students must also complete a Financial Aid Form (FAF). Both forms are currently available in the financial aid offices at Chalon and Doheny. KNOWLEDGE

1. Demonstrate a basic knowledge of cultural processes. Cultural processes include:
 - a. the elements of culture– the shared language, norms, values, heritage and world view (i.e. a group's understanding of its relationship to the natural and supernatural world, to other groups and how its members related to each other and understand the concept of self);
 - b. how the elements of culture change and are affected by each other and other factors (i.e. history, the natural environment, biological and psychological processes, economic and political systems and patterns of equality and inequality).
2. Demonstrate knowledge of issues, concepts, problems, or topics from different cultural perspectives.

Through this knowledge we expect students to:

3. Have a greater understanding of their own culture and of the diversity that is present within and among cultures.

SKILLS & ATTITUDES

Students will use knowledge of cultural processes and critical thinking skills in order to:

1. Be aware of and sensitive to cultural processes;
2. React with intellectual openness and respect when encountering cultural differences;
3. Communicate and interact effectively with persons from other cultures.

WEEK OF FEBRUARY 14, 1994

DATELINE:

	16	WEDNESDAY	DOHENY HAPPENINGS Deadline, 2:00 p.m., Bldg. 10, Mailroom.

***** FROM THE DEAN'S OFFICE:

I would like to sincerely thank our Doheny and Chalon students, faculty, and staff members who took the time and made the effort to help in the "Doheny Neighbors" Clean-Up on Saturday, February 5. Your willingness to assist in this neighborhood clean up effort is tremendously appreciated--and the day was a great success!

The newly-formed neighborhood alliance of MSMC, local Neighborhood Watch members, the Automobile Club of Southern California, John Tracy Clinic, the Office of Councilman Mark Ridley-Thomas, the Department of Public Works, the Los Angeles Police Department, Lanterman High School, and Norwood School planned this initial event to stress the importance of neighbors working together to improve their environment and strengthen their ties as "good neighbors." What we proved that morning was that working together *works* (and it's *fun!*), and that when we are united in a common goal *anything* can be accomplished.

Congratulations to all who participated. You helped to prove that we *can* make a difference if we try--and if we work together in harmony. And a special thanks to **Maria Lyons**, Director of Student Activities, whose determination and spirit brought these diverse groups together in increasing numbers and who truly "made it happen."

--Sister Kathleen Kelly

MAY 1994 GRADUATION

The deadline to file for graduation has passed; however, if you plan to graduate in May and you neglected to submit your application on time, please come to the Registrar's Office immediately.

FROM THE ADVISEMENT CENTER:

SUMMER SCHOOL

If you are planning to attend school (other than MSMC) during the summer, it is **very important** that you start contacting schools **soon**. Students who are already enrolled this academic year will have **First Priority** for the summer classes. It is very important that you get the necessary registration information and, where given, your filing number. If you wait until mid-May/June, you may not get your class(es). You may wish to contact several schools in different districts.

You need to get a copy of the summer schedule of classes; the Advisement Center does not have them.

Before Registering...please meet with your advisor concerning which class you will be taking. If you have any questions, please feel free to go to the Advisement Center for assistance. Attached to this issue is a sheet with Summer School and Transfer of Credit directions and information. Please keep it for reference and do use it.

FROM THE ASSOCIATED STUDENT BODY:

Tuesday, April 26: Come and celebrate Cinco de Mayo. There's going to be Food, Dance, and Entertainment all day long. Come and enjoy the festivities.

Wednesday, April 27: ASB Meeting from 11:15 a.m. - 12:15 p.m. in Bldg. 7.

Thursday, April 28: There will be a Special Prayer Service held in our Lady of Mercy Chapel from 11:15 a.m. - 12:15 p.m. Everyone is invited to attend.

FROM THE ALUMNAE ASSOCIATION:

SPECIAL GRADUATE BREAKFAST

The Alumnae Association invites all A.A. 1994 graduates to a special breakfast in their honor, Friday, May 6, 1994, the day of the graduation practice. The breakfast will be held in the Student Dining Room on the Chalon Campus from 9:15 a.m. to 10:00 a.m. Please be sure to return the response section from your invitation. If you have not received an invitation, contact the Alumnae Office in Rossiter Hall, 310-471-9522.

FROM RESIDENCE:

HOUSING FOR FALL 1994

If any current commuters are interested in applying for housing for the coming year, applications are available in Bldg. 7, Office 4. (Before a space can be assigned, we must receive the form and a \$100 deposit.)

Transfer of Credit Clearance

SUMMER SCHOOL: If you are planning to attend a Summer School other than MSMC, you need to do several things before registering for your class(es).

1. Decide what you will take and where you will take the class(es). (Ordinarily, a student does not take more than 6 units in summer.)
2. Verify that those courses are going to be offered. Most of the community colleges will have their schedule ready soon. Some of the 9 L.A. Community Colleges (ELAC, LACC, Valley, Harbor, West, Southwest, Trade-Tech, Pierce, Mission) will NOT have them ready until later. Most summer sessions begin around June 29. Phone the college(s) of your choice now and ask them if the course(s) will be offered: if the registrar can't answer, try the department; also request an application for student enrollment and a class schedule of SUMMER SESSION: (These are not available in the Advisement Center.) At many colleges you must do the student enrollment before you are able to register for classes. Do so soon.
3. Get a Transfer of Credit Clearance form from the Advisement Center. Check the policy regarding taking classes elsewhere, after enrollment in MSMC. PLEASE follow the policy.
4. Check with your Advisor/Advisement Center to be sure that the courses are TRANSFERABLE to MSMC and SATISFY what you intend to do.
5. If you are taking two classes, you may indicate BOTH classes on the same form. Please help us to prevent waste and also help to "save the trees".
6. Get your advisor's signature; if the course(s) is/are to satisfy program requirements, you will need your program director's signature in #1 of the form.
7. In filling out the section for title and course number, please fill it out correctly. If you need assistance filling this out please ask someone in the Advisement Center.
8. PLEASE BE SURE TO DISCUSS YOUR PLANS WITH YOUR ADVISOR; do not presume that classes taken off campus will be accepted by the college.
9. Before bringing the form to the Advisement Center, make sure you have ALL of the necessary signatures. Be sure that you do the paperwork BEFORE you enroll in a class off campus. Until the form has been completed, reviewed by the Director of Advisement, and signed by the Dean of the Campus, you cannot be sure that the course is approved.
10. If you cannot complete the necessary paperwork before May 11, you may do so when the information is available. If you need to do your paper work after May 11, please be sure to phone and confirm a time to meet with your advisor and/or Sr. Therese before coming on campus.

Thank you for your assistance in processing the Transfer of Credit Clearance forms. PLEASE SAVE THESE DIRECTIONS for future use.
